

To Whom It May Concern:

This letter of recommendation is in support of Cammy Lopez. Not only do I have full confidence that Cammy can complete a project, I have the knowledge that Cammy can create measurable results for any program she plans.

We hired Cammy as a consultant for lifestyle events in 3 major cities across Texas for one of our clients. The events were held at venues with tough standards to follow. Nevertheless, Cammy maintained a professional attitude to make sure everything was taken care of for both the client and Mercury Mambo.

Please feel free to contact me should you need any further information.

Regards,

Richard Garza, Director of Events
